The Need

To bring the Bible to these oral cultures in their native languages, where storytelling is the means for learning.

The Outcome

1. We want to help create **Bible Story Sets** into 28 heart languages
2. We hope to **encourage our local partners** to make discipleship groups that lead to multiplying churches, evangelism, and church leadership

Ways you can Partner with this Ministry

I would love for you to partner in this ministry, as I reach my goal of being fully-funded before I leave in late September.

1. The first way is to partner **prayerfully**. I would love to send you updates on what God is doing and prayer praises and requests.
2. The second way that you can partner is by being a **financial supporter** with a monthly gift or a one-time gift.
