Pray—for more women to choose life for their unborn children, and through adoption, children who are without a family will find one.

Host a Respite Night—for parents who need a date night or even just a couple hours to get some much needed grocery shopping done.

Become an Advocate for Children—by praying and telling others about the more than 144 million orphans and the nearly 102,000 children in foster care who are waiting for a family.

Become a Bethany One Family Sponsor—to help struggling families break the cycle of poverty, hunger, and sickness.

Support Life Impact—a fund to help expectant mothers who are facing an unplanned pregnancy and show significant financial need, as they prepare for their baby.

Support Caring Connection—a fund to help ease the financial stress of adoptive parents who are adopting a child with special needs.

Become a Foster or Adoptive Parent—to a child or children who have desperately been waiting for a family.

Learn more about these initiatives and how you and your church can be a part of preserving and celebrating the precious gift of life.
